Feel more confident in your care and costs

Whether it's preventive care screenings or an outpatient surgery, now you don't have to choose between services or postpone them because of cost. You can have all the tests and procedures you need, including follow-ups, for a **\$0 copay*** when you visit a Site of Service facility that offers top-tier care. You can also visit a Site of Service location to pay less for highly rated physical, occupational, and speech therapy.

Search for a Site of Service care provider using the [SydneySM Health](#) app or visit [anthem.com](#) and use the **Find Care** tool.

Lab tests.

Radiology, including X-rays and ultrasounds.

Advanced diagnostic imaging, such as magnetic resonance imaging (MRI) and computed tomography (CT).
